SP-HF360B & SP-HF800B

Stereo Wood Speakers

Complete your listening experience with the Genius new classic wooden speaker family, SP-HF360B & SP-HF800B. In addition to providing better sound quality, the cherry wood color combined with a classic design fits perfectly with any interior. The volume controls on the front panel let you easily adjust the sound. This family of speakers is a great introduction to high-quality audio and the perfect upgrade for your computer, tablet PC or iPod.

.

SP-HF360B has a total of 10 watts (RMS) audio output, and the built-in 3 inch speaker drivers deliver clear and superior sound in a wider dynamic range.

SP-HF800B has a total of 20 watts (RMS) audio output. The 3.5 inch high-performance speaker units cover the full-spectrum of sound and the one-inch tweeter gives this system a crystal clear treble sound.
